

BUDE CANAL 1904

Plan No 4

***The Tub Boat Canal Section.
Hobbacott Down to Red Post.***

From left to right, the canal goes from the top of the Hobbacott Down Inclined Plane eastwards past the ancient farm of Thurlibeer to Red Post. Here the canal divided, one branch going southwards towards Launceston and the other continuing eastwards on to Anderton Farm (shown on plan 5) and thence to Holsworthy, at Blagdonmoor Wharf or to Virworthy Wharf on the feeder arm near the reservoir.
